

WORLD'S BEST VALUE IN COOLING UNITS!

The new KOOLSPACE koolR™ series

Quieter ~ Smaller ~ Smarter

The koolR has smart controls that sense conditions in the cellar and adjust the power levels automatically.

The illuminated display allows you to monitor temperatures outside your wine cellar.

The unit will operate as quietly as your conditions will allow.

A Koolspace koolR cooling unit offers the latest technology and unparalleled performance at an unbeatable price.

Consider these additional features:

- Microprocessor Control
- All Digital Sensing
- Computerized Airflow
- Acoustic Insulation
- Vibration Isolation
- Plastic Coated Coil

Stylish slimline design! Easily installed over any door!

Model	Max. Cu Ft Room*	Unit Size (H,W,D)	Price
koolR	Up to 300	9 1/8" x 15 1/2" x 15"	\$500
koolR PLUS	Up to 600	9 1/8" x 15 1/2" x 15"	\$750

*Figures pertaining to cooling capacity assume an appropriately constructed enclosure with minimum R20 insulation in the walls, floor, ceiling and an insulated air sealed door. It also assumes the area outside the cellar is air-conditioned. For rooms in excess of 900 cu ft, use two units for good airflow and circulation with a built-in backup. Prices subject to change without notice. One year warranty.
